

Helping patients find and choose

Your Hospital's Health Care Services

A complimentary service for hospitals and academic medical centers accredited by Joint Commission International® (JCI)

Direct patients to your JCI-accredited organization

Now patients can learn about the value of JCI accreditation and how to find a hospital, academic medical center, or other health care facility that has achieved JCI's exacting standards. The information is easy to navigate and helps in-country residents and medical travelers locate facilities committed to quality improvement and patient safety.

JCI-accredited organizations: Use the site to build your brand and capture greater patient volume. More than 1,000 organizations in 70 countries are featured on the site and enjoy added exposure for their quality reputation. Contact us at info@worldhospitalsearch.org to post your organization's profile.

If you are considering JCI accreditation: Once you have earned the Gold Seal of Approval®, your organization's profile can be posted on WorldHospitalSearch.org. To learn more about the accreditation process, please contact the JCI office in your region or email jciaccreditation@jcrinc.com.

WorldHospitalSearch.org is a unique patient resource from the leading international health care quality accreditor.

Joint Commission International® (JCI) is a division of Joint Commission Resources, Inc.®, a wholly controlled not-for-profit affiliate of The Joint Commission. JCI provides leadership in international health care accreditation and quality improvement.
