

Foundations of Accreditation

Discover your path to the Gold Seal of Approval® at one of our Foundations courses

Attend this three-day program created specifically for hospitals and ambulatory care organizations that are interested in exploring international accreditation with Joint Commission International (JCI).

Explore JCI

Discover what makes JCI the world's leader in health care accreditation and how our standards and survey process help organizations all over the world improve the quality and safety of patient care.

Focus on specifics

JCI experts and leaders will conduct small group workshops and informative lectures focused on how to structure your pursuit of accreditation and best practices for achieving accreditation. We present foundational elements of both the hospital and ambulatory care programs while also providing optional presentations for persons seeking standards, survey, and other hospital- or ambulatory care-specific details, depending on their specialties and preferences.

See the path ahead

We'll guide you through an overview of specific JCI standards, review JCI's survey and evaluation methods, plus touch on how you can address common quality improvement challenges faced by other health care organizations. Your registration fee includes an electronic* version of JCI's 6th edition Hospital Accreditation Standards and the new JCI 4th Edition Ambulatory Care Standards, as well as many other electronic resources an electronic* version of JCI's 6th edition Hospital Accreditation Standards..

**JCI Education events are paperless, with content provided via an electronic application (app). Access to the app will be granted approximately 10-14 days prior to the event.*
