## Revamped JCI Accreditation E-App Coming in August

Next month the JCI Accreditation Electronic Application (E-app) will debut a new simplified look. Based on feedback from JCI-accredited organizations and JCI Surveyors, the E-App has been streamlined to make entry more efficient.

Changes include:

- Scheduling and Contact Information
- Updated Language and Glossary Terms
- Entry of Non-clinical Services and Contracted Services
- Clinical Care Program Certification (CCPC) updated

Click [here](#) to learn more about the changes coming to E-App.

If you have suggestions for further improvements to the E-App, please send them to your assigned Account Executive or contact us at [jciaccreditation@jcrinc.com](mailto:jciaccreditation@jcrinc.com).

## Three Foundations of Accreditation Courses Scheduled for September

JCI's Foundations of Accreditation education programs comes to [Prague](#), [Cairo](#), and [Dubai](#) in September. This three-day course gives attendees a detailed overview of JCI's accreditation process including the basics of continuous quality improvement. Foundations of Accreditation is an ideal program for those considering international

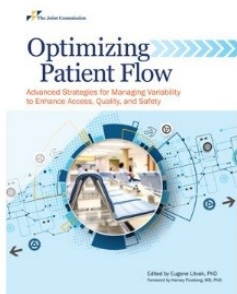

accreditation or those who have recently started preparation. As a special feature of the Dubai program, which focuses on ambulatory care accreditation, qualified participants are eligible for 15 Dubai Healthcare City Authority Regulatory (DHCR) Continuing Professional Development (CPD) credits.

## Check Out Our Latest Doody's Review Service Rated Publications

Our global publisher, Joint Commission Resources (JCR), has several four- and five-star rated books recognized by Doody's Review Service. JCR has been a participating publisher since 1995, sending 236 titles for inclusion in Doody's Review Service, of which 81 have had published reviews.

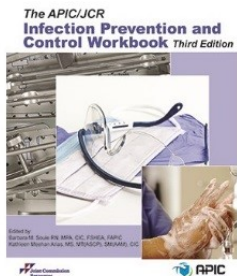

### 5-Star ★★★★★ Rated Publication from Doody's Review Service

**Optimizing Patient Flow: Advanced Strategies for Managing Variability to Enhance Access, Quality, and Safety.** This new publication features real world case studies from hospital CEOs to guide you through practical advances in patient flow. It was edited by Eugene Litvak, PhD, President and CEO of the Institute for Healthcare Optimization, a world-renowned leader in hospital operations management.

Enjoy 25% off this publication through 31 December 2018. Enter discount code OPF25 at checkout. Click [here](#) to purchase your copy.

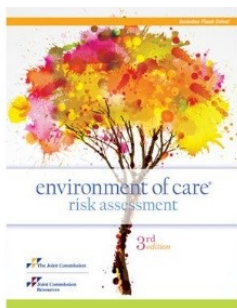

### 4-Star ★★★★★ Rated Publication and Doody's Core Title for 2018

**The APIC/JCR Infection Prevention and Control Workbook, Third Edition.** This updated version of a JCR bestseller was developed and co-published in partnership with the Association for Professionals in Infection Control and Epidemiology (APIC). It addresses infection prevention and control in all types of health care settings. The book discusses and clarifies Joint Commission requirements for infection prevention and control and offers a wealth of tools for

organizations to assess and improve their infection prevention and control activities. Click [here](#) to purchase your copy.

### 4-Star ★★★★★ Rated Publication from Doody's Review Service

**Environment of Care Risk Assessment, 3rd Edition.** This revised third edition introduces and discusses various Environment of Care (EC) risk areas, as well as several risk-assessment processes. A health care organization might use this book in the development, implementation, or maintenance of its comprehensive, multidisciplinary EC risk-assessment and reduction program.
