

# THE FUTURE OF YOUR ORGANIZATION STARTS WITH JCI

Discover why Joint Commission International meets—and exceeds—the core criteria you should consider when selecting an accrediting body.

## LONGEVITY

Pursuing and achieving international accreditation is a long process requiring organization-wide commitment. You should look for an accrediting body with decades of experience, accumulated expertise and insight, and the desire and ability to share this valuable information to improve your organization.

### *Why Joint Commission International?*

Backed by decades of knowledge and powered by international accreditation's foremost experts, JCI brings an unprecedented legacy and an unmatched breadth of services and offerings to help guide your organization's journey to excellence.

### **JCI is part of a global enterprise of dynamic, nonprofit accreditation organizations, including:**

- The Joint Commission. The premier health care standards-setting and accrediting body in the United States.
- Joint Commission Resources. The official educator and publisher of Joint Commission standards, JCR is an expert resource for performance improvement.

### **JCI offers unparalleled accreditation services and resources, including:**

- Advisory services
- Educational conferences, seminars, and webinars
- Scores of manuals, books, e-books, and periodicals

## GLOBAL RECOGNITION

International accreditation lets patients near and far see your organization as an elite facility committed to health care excellence. When selecting an accrediting body, choose one whose seal of achievement will be most meaningful to patients and will strengthen your organization's standing in the marketplace.

### *Why Joint Commission International?*

As the world's largest international health care accreditor, JCI has experience inspiring and empowering global health care excellence.

### **Our far-reaching footprint lets us offer transformational services across the globe:**

- Accreditation in 65 countries
- Advisory services in more than 100 countries

### **Our expertise and guidance is often sought out by medical entities looking to enable sweeping change, including:**

- Policy and advocacy organizations striving to meaningfully impact the state of global health
- Government health systems working to improve care within their nations

### **Our Gold Seal of Approval® is recognized and respected across the globe by:**

- Local patients and medical travelers seeking world-class care
- Medical professionals searching for a superior working environment

## PROVEN RESULTS

Improved operations and a safer patient and employee environment rank among the most important benefits of accreditation. By choosing an accrediting body that understands your needs—and can work with you to answer your specific challenges—you give your health care organization the greatest opportunity for success.

### *Why Joint Commission International?*

Since 1994, JCI has helped organizations on six continents improve the safety and quality of care in the international health care community and elevate their status as global leaders.

### **JCI helps organizations to effect positive change at all points across the care continuum, including:**

- Operational efficiency
- Safer environments for patients and staff
- High levels of patient and staff satisfaction
- Greater employee retention rates
- Efficient, cost-effective solutions that save money and lives

Joint Commission International® (JCI) is a division of Joint Commission Resources, Inc., a wholly controlled not-for-profit affiliate of The Joint Commission. JCI provides leadership in international health care accreditation and quality improvement.

JCI's education and advisory services activities are completely separate from its accreditation and quality improvement functions. Accreditation surveys are conducted independently of any educational or advisory services activity undertaken by an organization to attain or retain accreditation. Please visit our website at [jointcommissioninternational.org](http://jointcommissioninternational.org).

The International Quality Approval Gold Seal is a trademark of The Joint Commission, registered in the United States and other countries.
